Detail Tooltip

The image shows the Tableau Desktop interface. At the top is a toolbar with various icons for navigation and editing. Below the toolbar, the interface is divided into several panes:

- Data** pane: Shows a connection to a data source named "train".
- Dimensions** pane: Lists fields that can be used as dimensions. The fields are: Cabin, Embarked, Fare, Name, Sex, Survived, Ticket, and Measure Names.
- Measures** pane: Lists fields that can be used as measures. The fields are: Age, Parch, PassengerId, Pclass, SibSp, Number of Records, and Measure Values. The field "Pclass" is highlighted with a green bar and a mouse cursor is pointing at it.
- Columns** and **Rows** shelves: These are currently empty.
- Marks** card: Set to "Automatic". It includes options for Color, Size, Text, Detail, and Tooltip.
- Filters** shelf: Currently empty.
- View Area**: The main area for the visualization. It is titled "Global Survival Rate" and contains a large empty box with the text "Drop field here".
